ABOUT IET

“

Institute of Engineering & Technology (IET), DAVV) is a premier engineering institute of Devi Ahilya Vishwavidyalaya, located in Indore. Established in 1996, the institute has built a strong reputation for academic excellence, innovation, and professional integrity.

IET DAVV offers undergraduate, postgraduate, and doctoral programs in various engineering and technology disciplines. The institute is supported by experienced faculty members, well-equipped laboratories, modern infrastructure, and an industry-oriented curriculum that bridges the gap between theory and practice.

With a focus on research, entrepreneurship, and leadership development, IET DAVV encourages students to participate in technical clubs, national competitions, internships, and industry collaborations. Consistent placement achievements and a vibrant campus culture make IET DAVV a distinguished choice for aspiring engineers.

”

VICE CHANCELLOR'S DESK

“

As the Vice Chancellor of this esteemed university, my commitment is to achieve excellence across all academic and administrative domains to enhance the higher education experience at DAVV. We are dedicated to promoting academic distinction by fostering a culture of innovation, research, and continuous improvement.

Our priorities include modernizing the curriculum in line with global trends and industry requirements, encouraging interdisciplinary programs, and strengthening skill-based education. We aim to build a robust research ecosystem through targeted funding, industry collaboration, and the establishment of innovation centers. Expanding our global presence through academic partnerships and exchange programs remains an important objective.

The university is equally committed to inclusive growth. We will support underprivileged students through scholarships, mentorship initiatives, remedial classes, skill development workshops, and accessible digital resources to ensure equitable learning opportunities for all. Administrative efficiency will be strengthened through the implementation of comprehensive ERP systems for admissions, examinations, fee management, and payroll. The integration of AI-driven tools for grievance redressal and student feedback will enhance transparency and responsiveness. With collective effort and commitment, DAVV will continue progressing toward excellence and meaningful societal impact.

”

DR. RAKESH SINGHAI
HON'BLE VICE CHANCELLOR DAVV INDORE

MESSAGE FROM THE DIRECTOR

“

At IET DAVV, we believe that engineering education is not merely about acquiring technical knowledge but about shaping innovators, leaders, and responsible citizens. As Director, my vision is to position IET DAVV as a center of academic excellence where learning is dynamic, research is impactful, and innovation becomes a way of life.

Our institute is committed to delivering a curriculum that blends strong theoretical foundations with practical application. By aligning our programs with emerging technologies, industry expectations, and global standards, we aim to prepare students who are not just job seekers but solution creators. Research and innovation form the backbone of our growth strategy. We encourage faculty and students to engage in interdisciplinary research, pursue funded projects, collaborate with industry, and contribute to technological advancement. Through incubation support and startup mentorship, we strive to foster an entrepreneurial mindset within our campus.

At IET DAVV, student development remains our highest priority. Alongside academic rigor, we emphasize skill enhancement, leadership training, internships, industry interaction, and co-curricular engagement. We are equally committed to creating an inclusive environment where every student, regardless of background, receives the guidance and support needed to succeed.

IET DAVV continues to evolve as a vibrant academic community driven by curiosity, integrity, and innovation. Together, we will build an institute that not only adapts to change but leads it.

”

DR. Pratosh Bansal
DIRECTOR IET - DAVV

Indore, the cleanest city of India, was established in the 16th century as a trading hub between Delhi and Deccan. It flourished under the Holkar dynasty, becoming the capital of the Holkar State in the 18th century. The city's iconic landmarks, Rajwada Palace, Chhatra Bagh and Lal Bagh Palace, reflect its royal past. Indore played a key role in India's freedom struggle, hosting leaders like Mahatma Gandhi. Today, it stands as Madhya Pradesh's commercial and educational capital, blending history with modernity.

Bachelor's Programmes Offered

Bachelor Of Technology (4 Year Program)

- Computer Science Engineering
- Computer Science And Business Systems
- Information Technology Engineering
- Electronics And Instrumentation Engineering
- Electronics And Telecommunication Engineering
- Mechanical Engineering
- Civil Engineering

Master Programmes offered

Master Of Technology (2 Year Program)

- Computer Engineering With Specialization In Software Engineering
- Information Technology With Specialization In Information Security
- Electronics Engineering With Specialization In Digital Instrumentation
- Electronics Engineering With Specialization In Digital Communication
- Industrial Engineering & Management (IEM)
- Mechanical Engineering With Specialization In Design & Thermal Engineering

MAJOR OPPORTUNITIES OFFERED

VLSI LAB IET DAVV

At the inaugural ceremony of Semicon India 2025 in New Delhi, graced by Honourable Prime Minister Narendra Modi, a significant milestone was achieved in India's semiconductor journey. Honourable Ashwini Vaishnaw, Minister of Electronics and Information Technology, unveiled 17 semiconductor chips fully fabricated at the Semiconductor Laboratory (SCL), Chandigarh.

Among these, one chip was proudly designed by the Advanced VLSI Lab, IET DAVV, Indore, marking a remarkable accomplishment and showcasing our institute's contribution toward India's vision of becoming a global semiconductor hub.

INCUBATION CENTER DAVV

The Incubation Center of Devi Ahilya Vishwavidyalaya (DAVV) is a dedicated platform that promotes innovation, entrepreneurship, and startup development among students and researchers. It provides mentorship, technical guidance, networking opportunities, and infrastructure support to transform innovative ideas into successful business ventures.

The center actively collaborates with industry experts, investors, and government initiatives to nurture early-stage startups, encourage research commercialization, and strengthen the entrepreneurial ecosystem in Indore and Madhya Pradesh.

COMPUTER LAB IET DAVV

The Computer Lab at IET DAVV, Indore, is a well-equipped and modern facility designed to support academic learning, research, and practical implementation for engineering students. The lab is furnished with high-performance computer systems, updated software tools, and reliable internet connectivity to ensure a smooth and efficient learning environment.

PLACEMENT PROCESS

PLACEMENT DEMOGRAPHICS :

400+ STUDENTS PLACED

421+ TOTAL OFFERS

7.72 LPA AVERAGE CTC

62+ COMPANIES VISITED

TOTAL NO. OF COMPANIES VISITED

OUR TOP ACHIEVERS

ANUJ MALVIYA

Walmart 

Joining Walmart as an Engineer is an incredible opportunity to impact millions of customers globally. I'm excited to contribute to a team that's re-engineering the future.

SHRUTI SHARMA

Grateful for the knowledge, experiences, and opportunities that shaped my technical skills and personal growth. Excited to step into the next chapter and explore new challenges ahead!

KRATI SHRIVASTAV

Excited to begin this incredible journey, contribute to innovative projects, and grow alongside some of the brightest minds in the industry. Grateful for this opportunity and looking forward to making an impact!

STORIES OF EXCELLENCE OF BATCH' 25 :

Ruchi Shah (IET DAVV)
(BARCLAYS)

"Working at Barclays has been a transformative experience. The dynamic work culture has fostered both my personal and professional growth."

Ali Hussain Mansuri (IET DAVV)
(NRI FINTECH)

The company's focus on integrating cutting-edge financial technologies with services tailored for the non-resident Indian community was fascinating.

Yogesh Whatwar (IET DAVV)
(DEUTSCHE BANK)

"My experience at Deutsche Bank has deepened my understanding of global financial systems. The role challenged me to think critically and adapt quickly, contributing to my overall skill enhancement."

Sanjana Khatri (IET DAVV)
(BARCLAYS)

Joining Barclays felt like stepping into a place that values tradition. The company's global presence and commitment to improving financial services through technology were central to my experience.

Shreeti Kag (IET DAVV)
(MASTERCARD)

I'm excited to start my career at Mastercard, a leading technology company in the global payments industry⁷⁴. I look forward to contributing to Mastercard's innovative payment solutions.

Pavanee Kadwey (IET DAVV)
(AVALARA)

Joining Avalara marked a pivotal moment in my career as I transitioned into the world of tax automation and compliance.

Sakshi Jain (IET DAVV)
(IDFC BANK)

"At IDFC Bank, I engage with complex banking operations and contribute to innovative solutions. This experience has strengthened my problem-solving abilities and industry knowledge."

Sandipan Dwivedi (IET DAVV)
(QUANTIPHI)

At Quantiphi, the excitement of working at the intersection of machine learning and digital transformation was truly inspiring.

Hirdesh Sharma (IET DAVV)
(NUCLEI)

I'm thrilled to be joining Nuclei, where I'll contribute to a leading fintech SaaS startup that's transforming digital banking in Asia¹⁶.

Harshit Bansal (IET DAVV)
(ZSCALER)

I'm excited to join Zscaler as an Engineer and contribute to the world's leading cloud security platform. This opportunity allows me to develop cutting-edge skills in cybersecurity.

Ashutosh Dwivedi (IET DAVV)
Joining pharomeasy has been a rewarding experience. The seamless onboarding, supportive team culture, and innovative work environment made me feel welcomed right away.

Pratyush Sharma (IET DAVV)
(ZS ASSOCIATE)

"As students embark on their professional careers, they carry forward not only academic excellence but also the values and experiences that will guide their future endeavors."

CAMPUS LIFE

Devi Ahilya Vishwavidyalaya (DAVV) Indore offers a vibrant campus life, blending academics with a rich cultural and sports environment. The university is known for hosting grand events like E-Day, Aakshank, E-Summit and inter-college sports competitions, fostering a spirit of enthusiasm and healthy competition among students.

Youth Festival is one of the most awaited celebrations, bringing together talented students from various colleges to showcase their skills in music, dance, drama, and literature. It serves as a platform for creative expression and cultural exchange. Aakshank, another signature event, is a mega cultural and technical fest, offering thrilling performances, engaging competitions, and insightful sessions. It attracts participants from across the region, making it an unforgettable experience.

Sports play a significant role in DAVV's campus life. The university boasts excellent sports infrastructure, including well-maintained grounds for cricket, football, basketball, and athletics, along with indoor facilities for badminton, table tennis, and chess. The inter-college sports competition is a highlight of the year, where athletes compete for glory and showcase their sporting excellence. With a balance of academics, cultural vibrancy, and sports enthusiasm, DAVV Indore offers students an enriching experience that nurtures talent, fosters camaraderie, and prepares them for holistic growth.
